

Use Case Demonstration

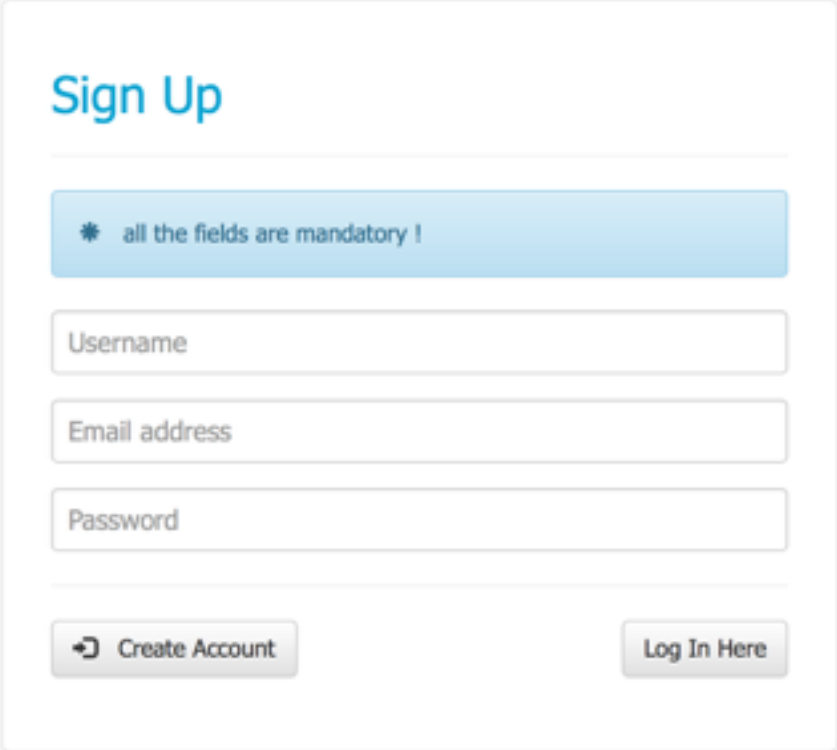

1. Register for FlixPix

Actor- Users of website

Precondition: none

Postcondition: updated users table with new user

```
INSERT INTO `users` (`user_id`, `user_name`, `user_email`, `user_pass`) VALUES  
(1, 'test', 'test@testmail.com', '202cb962ac59075b964b07152d234b70')
```

The image shows a 'Sign Up' form for a website. The form is titled 'Sign Up' in a large, blue, sans-serif font. Below the title is a light blue box containing a small asterisk icon and the text 'all the fields are mandatory !'. There are three input fields: 'Username', 'Email address', and 'Password', each with a light gray border and placeholder text. Below the input fields are two buttons: 'Create Account' with a right-pointing arrow icon, and 'Log In Here'.
